

RICO RSBT- 5

Description/ Specification of Bomb Calorimeter

Digital Bomb Calorimeter Model RSBT-5 with Safety Device & Water Jacket with Puff Insulation & Certified Bomb and many more features :-

Features:-

1. Certified Bomb.
2. Temp. Accuracy: 0.01 °C Calorific Value.
3. Measurement = 1000- 10000 Cal/Gm.
4. Temp. = 10°C to 40° C.
5. Main Testing time= 15 min.
6. Temperature Resolution 0.01 °C.
7. Power Supply 230 V, 50/ Hz.
8. Operating principle: Isothermal.
9. Operating time per test: 10-15 minutes.(main testing period).
10. Temp. Indicator: Digital Temp. Indicator.
11. LED indication for Sample Firing.
12. Waterproof Long Life Brass Sensor.
13. Water Jacket with Puff Insulation.
14. Low Voltage offset stirrer (Modular Type with Mounting Stand
15. Supplied complete with 25 accessories.
