

Introducing the new  
**JX-20 & JX-30**

MOISTURE METERS FOR FLOORING AND WOOD PRODUCTS

The next generation of moisture meters is here, with the introduction of the **Navigator™** series and **EDGE™** app from Delmhorst.

# NEW JX-20 AND JX-30

The **JX-20** and **JX-30** are the latest meters in the new Navigator family! Bringing lumber/woodworking, flooring professionals and inspectors two more professional-grade, accurate and versatile tools to address moisture issues and perform your job with complete confidence. The JX-30 features the Delmhorst **EDGE™** app with expanded wood species, customizable settings, and the ability to share data from any location.

## Product Features

- Large, custom display with auto backlight – easy to read under all conditions
